

# Maths Bag 1

## Maths Bag 1

Please enjoy being busy with your child,  
learning new things together.

Learn about **money** by **playing shops!**

1. Find somewhere to play shops-an old box or a table could be the counter.
2. Stock your shop together. Look for things around the house or garden or from the kitchen cupboard.
3. You could make paper money or a bank card.
4. Make up shopping lists or price tags.
5. Now you can shop until you drop!

What's in this bag?

- Coins
- Till
- Shopping bag and purse
- Toy food

**Return next THURSDAY**
