Maths Bag 4

Please enjoy being busy with your child, learning new things together.

Learn **about taking turns, matching and recognising amounts** by playing these two great games, **Snap and Dominoes**

1. Find a surface to play on, like a table
2. Take turns to play the games.
3. When playing with the traditional dominoes count the spots together and see how quickly your child can recognise amounts.

What's in this bag?

- Farm Snap
- The Very Hungry Caterpillar Domino Set
