

Archie's Adventures!

Please use Archie's camera to take photos of some of the adventures you and Archie get up to at your home this week.

You can write about the adventures too in this book.

Parents, inside this bag you'll find a notebook and a KiddieZoom Camera plus zip-lock bag with Camera Instructions and lead. Please help your child to take photos of the things you get up to at home with Archie the Dinosaur-it could be eating tea together or playing in the garden or maybe taking Archie in the car! Whatever you choose! If you can, please include taking a photo of your family. The nursery will print some of the pictures. We would love if you have the time to add some comments to the notebook too.

Your child will receive Archie on a

FRIDAY to be RETURNED THE FOLLOWING THURSDAY.
